

## Ohio Revised Code

### Section 3319.65 Credential review board.

Effective: June 9, 2004

Legislation: Senate Bill 2 - 125th General Assembly

---

The state board of education shall establish a credential review board. The credential review board shall carry out any functions assigned to it by the state board with respect to assessing individuals pursuing alternative routes to educator licensure and out of state educators seeking licensure in Ohio. The credential review board may also carry out any other duties the state board considers appropriate.
